

Dear Whirlpool Community Charity Golf Event Participants,

We all have been observing the exponential increase of the Delta variant Covid cases in the U.S. in particular over the past week. Unfortunately, we are “back” in a full fourth Covid wave which already now eclipses the first two waves.

As a result of the emergence of this fourth wave and in light of changing CDC and state health guidelines, we have to put the safety and well-being of our guests as our top priority for this weekend’s Whirlpool Community Charity Golf Event. We are therefore making the very difficult call to cancel the event scheduled for Sunday and Monday.

We will be asking your hosts to also reach out and make contact with you. We apologize for the inconvenience this will cause and more importantly, we regret that we will not have the fellowship this event has become known for, nor will we be able to raise the funds to support so many worthwhile charities in the community.

Over the next few days, we will share with you more details but wanted to get this cancellation notice out to you as soon as we made the decision.

Sincerely,

Jeff Fettig
